The main content area features a large white box with the heading **Verify Email before using Fast2SMS !!**. Below this is an icon of an envelope with an '@' symbol. The text **Send verification link to:** is followed by a text input field containing `bala2001black@gmail.com`. A red **VERIFY NOW** button is positioned below the input field. A green note states: **NOTE: If you received our email in SPAM folder then mark our email as "not spam" for future communication.** At the bottom of the box, it says: **If you're unable to verify your email contact us on "support@fast2sms.com"**.

On the right side of the dashboard, there is a support chat window. It has a title bar **Support Team** and a close button. The message area contains the text **How can I help you ?** and a text input field with the placeholder `Type a message here...`. A red notification bubble with the number `1` is located at the bottom right of the dashboard.
